

## **COVID Exposure Quarantine Policy 07-18-2022**

The following are our policies relating to the exposure and quarantine due to COVID.

### **For children who test positive:**

- Isolate at home for a minimum of 10-days after testing positive.
- Any siblings attend the school must also isolate for the 10-day period and provide a negative COVID test before returning to school.
- Child may return to center after 10 days if symptom free.

### **For children who are exposed to COVID but are not showing symptoms:**

- If vaccinated, the child may attend class with a negative PCR test and will be monitored for symptoms and test again (rapid) at day 5.
- If unvaccinated, child will quarantine for 5 days and may return to class with a negative PCR test.
- All staff and children (ages 3 and older) will be required to wear a mask for the remainder of the 10-day period after the exposure.
